

December Family Project Family Traditions Banner Due Friday, December 9

Dear Kindergarten Family,

This month's family project is to construct a Family Traditions Banner. The idea is to create a banner - similar to a scrapbook page - that shows your family traditions or favorite part of the Holiday season. Your child will be sharing his/her banner with the class before putting it on display in hall.

1. Each family member should trace his/her hand on the provided construction paper.
2. Each family member should write his/her name on the banner and draw their favorite holiday tradition - photographs will work too.
3. Decorate the banner using markers, stickers, sequins, or whatever else you have that would make your banner look festive and represent your family's holiday traditions.
4. Be sure to label your banner with your family's name, for example "The Hylkema Family".
5. Help your child complete the Family Traditions writing response.

Have fun and Happy Holidays!

The Kindergarten Team

Family Traditions

of the _____ Family
(your last name here)

Our family celebrates _____.

We enjoy spending time with _____
_____.

We enjoy eating _____
_____.

One special tradition we have is _____
_____.
