

February Homework Project
"Heroes in Our Hearts"
Due February 27

Dear Kindergarten Family,

A hero is defined as "a person who is admired for great or brave acts or fine qualities". In this season of love, we have decided to recognize the important heroes in our lives.

Our February family homework project will be to recognize a "Hero." Please help your child choose a "hero" who is REAL (not a fictional character or superhero). Using the construction paper provided, help your child cut out and decorate a heart to honor their chosen hero.

Your child's heart should include:

- the name of the hero
- what he/she does
- a photograph and/or drawing of the hero
- decorations such as doilies, cotton balls, glitter, stickers, paint, foil, ribbon, lace, recycled newspaper or paper bag pieces, etc.
- your child's name on the back

Please have your child complete the writing response and send it in with the completed project.

Thanks in advance for helping us acknowledge and celebrate our many heroes!

The Kindergarten Team
