

March Family Project

Create a Book Box

Due on or before: March 29

Dear Kindergarten Family,

We will be celebrating Read Across America during the month of March. Help your child decorate a box to represent their favorite book and fill it with objects that represent the characters, the setting, the problem, the solution and their connection to the story.

- You can use a shoebox, oatmeal canister, coffee can or other similarly sized container for this project.
- Decorate your box to go with the book. You can draw pictures yourself or use pictures from magazines or the internet. Be sure to include the title and author of your book on the box as well as your name.
- Find 5 different objects to represent the story elements underlined above. You can use pictures if the object you want to use is too big to fit your box.

Remember to complete and send in the writing response along with your completed project. Also please remember that this project is for your child to complete along with your help. They are responsible for completing the written piece. If it is not completed by your child, it will be returned for your child to complete.

Thanks so much,
The Kindergarten Team
