

MAY HOMEWORK

Family Project (Optional): What's in an Egg?

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 32 May 14-18	Pick two insects. Compare and contrast the insects. Write two ways they are alike and two ways they are different. K.L.1	Write and draw five things that are shorter than your foot and five things that are longer than your foot. K.MD.1/K.MD.2	Write a narrative about what you do when you go home from school. Be sure to include transition words like first, next, then, last K.W.3	Draw an animal scene. Write a subtraction problem to go with the scene. K.OA.2	HAVE A WONDERFUL WEEKEND!
Week 33 May 21-25	Write and draw five things that are shorter than your foot and five things that are longer than your foot. K.MD.1/K.MD.2	Make a list of different animals. Count and write the number of syllables in each animal name. K.RFS.2	Create an animal using 2D and 3D shapes that you have around your house. K.G.5/K.G.6	Write about the animal you created last night. What animal did you make? What shapes did you use? K.W.2/K.L.2	HAVE A WONDERFUL WEEKEND!
Week 34 May 28- June 1	NO SCHOOL (Memorial Day)	Make a list of 25 high frequency words. For a challenge, write 50 words! K.RFS.3e	Write a story using the word list you created last night. Circle or highlight the sight words. K.L.2	Create a story problem that has the answer of 8. Draw a picture to go with it. K.OA.1/K.OA.2	HAVE A WONDERFUL WEEKEND!
