

November Family Project

Turkey in Disguise

Due: November 21

Dear Kindergarten Family,

We need your help! Attached to this letter you will find a construction paper turkey. Please work together as a family to create a disguise for your turkey so he will avoid being caught and becoming Thanksgiving dinner!

Your family turkey may be disguised as other animals, plants, football players, ballerinas, etc. Your turkey may also resemble a family member or reflect something that is unique to your family such as hobbies, jobs, or favorite sports teams. Be creative with the materials you may have around the house - seeds, fabric, paint, feathers, crayons, cotton balls, ribbons, buttons, noodles, cereal, etc. - the possibilities are endless!

Please return your family turkey project by Monday, November 21 so it may "hide out" in the hall. The turkey projects will be displayed until Thanksgiving break and sent home for the holiday. Please feel free to come down the hall and search for turkeys!

I hope you will enjoy working on this project as a family.
