

# October Family Project

Due October 21

Dear Kindergarten Family,

Soon we will be reading Lois Elhert's book Leaf Man. This story is about a "Leaf Man" who travels around. The Leaf Man can only blow where the wind takes him. On his journey he transforms himself into different formations.

Please help your child gather a collection of "fall things" such as: nuts, seeds, twigs, and of course all types of leaves! Put these items together to create any formation of your child's choosing. Please glue your creation to the construction paper provided for you. Also, please have your child complete the written response sheet attached and attach it to the construction paper as well.

To become familiar with the book, here is a YouTube link for a reading of the story: <http://www.youtube.com/watch?v=cLDt7Rt80EI>

Have fun and be creative! Happy leaf hunting!

The Kindergarten Team
