

SEPTEMBER FAMILY PROJECT

All Pieces due by Friday Sept. 30!

September: "I know my Safety Info!"

It is VERY important for Kindergarten Students to know their "safety information!" For our Family Project this month, we will be practicing and learning our first and last names, address, phone number and birthday! Attached you will find a "house" pattern, a name plate, an address box, a phone and a birthday candle. As your child learns to answer the following questions they can bring back the corresponding pieces and place them on their house for our "I know my Safety Info!" Kinder-Ville bulletin board!

Step 1: "Decorate your house". Please send this back Right Away.
Please put your child's name on the back of this piece.

Step 2: Start Practicing these questions:

"What is your name?" When your child is able to respond correctly with their first and last name each time you ask, please have them decorate and return their name plate.

"What is your address?" When your child is able to respond with their correct house number, street, city and zip code, please have them decorate and return the address box.

"What is your phone number?" When your child is able to respond with the correct phone number please have them decorate and return the phone pattern.

“When is your birthday?” When your child is able to respond correctly giving the month, date and year, please have them decorate and return the birthday candle.

Step 3: Share! Each time your child brings in a piece for their house, they will be able to share with me that they “know their Safety Info!”

This project should be completed throughout the month of September. It is my goal for all of the children to know their safety information by the end of the month!

When your child has turned in their house and all of learned all of their safety information, their completed house will be added to our Kinder Ville display on our classroom wall!

Time spent with your child “doing” will become memories that last forever.

Mrs. Hylkema☺
